

An aerial photograph of a vineyard in a valley. The foreground shows rows of grapevines on a hillside. In the background, there are rolling green hills, a power line tower, and a large, multi-story building complex with a dark roof and wooden accents. The sky is clear and blue, suggesting a bright day.

Built-in soil display bar

Indoor-outdoor fireplace

Winery & vineyard views

Access to covered deck

A large, modern winery fermentation deck. The room features a high ceiling with exposed wooden beams and skylights. The floor is dark wood. On the right side, there are several large, stainless steel fermentation tanks with perforated sides, arranged in a row. In the center, there are several wooden barrels. On the left side, there are more stainless steel tanks and a large, dark, industrial-looking piece of equipment. The overall atmosphere is clean and professional.
